

# Continuing Your IDShield Coverage After Employment Ends

As an IDShield Member, you can continue coverage after ending employment and keep your current price and benefits. Please call **1-800-654-7757** or mail the attached payment form within 45 days of your last date of employment, otherwise your coverage will automatically cancel.

Choosing whether to continue coverage is a personal decision and will depend on your circumstances. Here are a few things to consider:

- Because you are enrolled in IDShield through a group plan, the pricing is often more favorable than other identity theft protection plans you can purchase individually. Your monthly rate is \$16.95 for the individual plan or \$31.95 for the family plan.
- If you do not continue this group coverage within 45 days, you generally cannot re-enroll at the same price and coverage terms later.
- If you choose to continue coverage now, you can cancel at any time in the future.
- Recovering from a theft can be time-consuming and stressful. Online identity protection has become increasingly important in today's world. According to a Department of Justice Study, about 23.9M people were subjected to identity theft totaling \$16.4B in 2021.<sup>1</sup>

## IDShield provides you with:

### Financial Protection

A Fraud Protection Plan of up to \$3 Million covers certain costs resulting from covered fraud events.

### Identity Threat Alerts

If our monitoring services find your data where it shouldn't be, we'll alert you immediately.

### Monthly Credit Score Tracker

Keep an eye on changes to your credit score with a 12-month historic view of your credit trends.

### Sex Offender Monitoring and Search

Search for sex offenders within an adjustable radius of your home address and receive alerts when new sex offenders move in.

### Dedicated Licensed Private Investigators

If you experience an identity theft incident, an assigned investigator stays with you throughout the restoration process.

### Identity Consultation Services

Consultation on any identity-related issue including alerts received, current theft trends, and best practices for secure financial transactions and consumer privacy.
