### **Pretreatment**

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

### **Domestic Partner**

California state law requires that coverage shall be provided to Registered Domestic Partners that is equal to, and subject to the same terms and conditions as, the coverage provided to a spouse. Registered Domestic Partner means a partner of the Insured as long as the partnership meets the requirements for such relationship as defined in Section 297 of the California Family Code or the functional equivalent registration of any other state or local jurisdiction.

**This form is a benefit highlight, not a certificate of insurance. The coverage outlined here highlights the benefits available through Reliance Standard Life, and does not include exclusions and limitations. For details on exclusions and limitations, or a complete list of covered procedures, contact your benefits coordinator.**
